*Hi Kid's Club families,*

*This notice is to inform you that a person in our child care in Kid's Club has tested positive for COVID-19. They last attended child care on Monday, April 4, 2022 and began showing symptoms on Tuesday, April 5, 2022. You should monitor your child for symptoms of COVID-19. If your child is not experiencing symptoms of COVID-19, your child can continue to attend child care, unless advised by public health to stay home.*

*Kind Regards,*
