

Covid case in UBC ➤ Inbox ☆

Hi,
I'm a UBC student and I'm writing to let you know that my roommate in Tallwood house has COVID and hasn't informed all of the suitemates. If you would like to add it to the COVID tracker so that immunocompromised people in Tallwood house would know.

Thanks,

Hello,

I heard my roommate say she has COVID yesterday, so I want to guess that she tested positive on Saturday.

I'm comfortable sharing this information without my name, email, and student ID.

Thanks,
